THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

NIC #10109-82
13 December 1982

NOTE FOR: The Director

FROM : NIO/GPF

SUBJECT : General Rogers's Visit

I had a phone call this morning from Major Dallas, Aide-de-Camp to General Rogers. He says that General Rogers probably expects that you will raise the topic of the DDI article and tell him how it will be "corrected." I replied that we have not had any specific criticism of the article--only the information that the SACEUR did not like it.

Also, we have heard nothing directly from General Rogers. Everything we have heard (including this latest tid-bit from Major Dallas) has come from Brig. Gen. Smith, the SACEUR's Executive Officer in Mons (not to be confused with General W. Y. Smith in Stuttgart).

I recommend you let General Rogers raise the subject if he wishes, but otherwise proceed along the lines of the attached talking points. The point paper has been coordinated with [redacted], C/DDO/EUR.
